| Title: | Bereichsleiter / Director Systems and Applications Systemair GmbH Germany | |
| email: | reiner.kelch@systemair.de | • |
| Presentation title: | Effect of new Published Standard 12101-6 on Practical Implementation | |
| <p>12101-6 was published and all suppliers must fulfill these test procedures to sell certified kits to the European markets.</p> <p>For a certification:</p> <ul style="list-style-type: none">- what is the test procedure?- What technical requirement's do the system must fulfill?- What are the different kits in general?- 12101-6 in combination to 12101-13? <p>Most of the suppliers must optimize their systems, cause the tests are tough. There is also a difference between the test procedure and the commissioning at side.</p> | | |
